

WHY “EZARRI” GLASS MOSAIC TILES ARE THE PERFECT CHOICE FOR YOUR TILING SOLUTIONS

- **“GLASS” TILES**

- Ezarri Glass tiles offer durability, beauty and a **lifetime guarantee!**
- Ezarri Glass tiles are eternally fashionable, enduring the sands of time
- Ezarri Glass tiles use **recycled clear glass** making them **eco-friendly**
- Ezarri Glass tiles are non-porous, non-fade and offer pure clean colour.

- **VISUAL BEAUTY**

- Ezarri mosaic tiles offer a perfect reflection of your taste and lifestyle
- Over 100 fashionable colours from which to select for any decor
- 13 beautiful ranges for your individual style and project requirements
- Solid quality tiles with smooth rounded corners – no sharp edges

- **DOT-MOUNTED SYSTEM**

- Ezarri have perfected this technically advanced System, which is fast becoming the most popular. The Dot Mounting allows for 95% glue coverage on the back of the tile, which is more than the Australian Standards (AS3958.1 2007) require. You can feel confident that your tiles can be securely adhered.

- **SUITABILITY / ADAPTABILITY**

- Manufactured for pools, spas, wet areas, kitchens, bathrooms, walls & murals. Suitable for indoor/outdoor, commercial and domestic projects.

- **VALUE FOR MONEY**

- Ezarri glass tiles offer quality with excellent value for money.
- One of the most competitively priced qualitative glass tile on the market.

- **QUALITY**

- Ezarri offer 36 yrs manufacturing experience using the latest technology
- Strict quality control with 24hr production
- European BVQI standards accreditation & CSIRO (Australia) tested.

- **RANGE / STYLES**

- Ezarri produce ranges to suit any decor including solid or dappled colours, textured finishes, anti-slips, rippled effects, pearl finishes, graduating colours, mixed colours, borders, designs, and more.

- **AVAILABILITY / FREE SAMPLES**

- An extensive range of colours and styles of Ezarri products are available.
- Samples are available at www.renaissancetiles.com.au or by request.

- **PRODUCT INFORMATION**

- Ezarri Spain is one of the foremost leaders in glass mosaics today. Ezarri select only the purest quality pigments ensuring perfect untainted colour. Ezarri also realise the importance of caring for our environment and use only the highest quality recycled clear pure glass from around the world, making their tiles “eco-friendly” and eligible for the “eco-label standards” as introduced recently by the GECA (Good Environmental Choice Australia) emphasized at the Australian Stone Advisory Association convention.
