THE CLASSIC BEAUTY OF GLASS IS AGELESS!

Ezarrí glass mosaic tiles are manufactured from re-cycled pure clear glass and only the finest pigments are selected to produce the stunning colours available. Backed by over 30 years of manufacturers experience and dedication to perfection.

Australian standards approved giving you confidence that you are choosing a safe and reliable product. Smooth rounded corners ensure no "sharp edges".

Highly suitable for pools, spas, kitchens, bathrooms, and murals in either outdoor or indoor situations, ezarrí is a superb choice for the internal finish of a pool with a look of sheer elegance and stunning effects. Kitchens and bathrooms are taken to a new level of style with chic european elegance using glass mosaic tiles.
